PATIENT AUTHORIZATION

I understand that, before I may have communications with The Merck Access Program, sponsored by Merck Sharp & Dohme LLC ("Merck"), a subsidiary of Merck & Co., Inc., or receive assistance from the Merck Patient Assistance Program ("Merck PAP"), sponsored by the Merck Patient Assistance Program, Inc. (individually, "a Program"; collectively, "the Programs"), the administrators of the Programs, including their contractors or other representatives, will need to obtain, review, use, and disclose my personal health information ("PHI"), including information relating to my medical condition and prescription medications and the information included in this patient enrollment form.

I therefore authorize each of my physicians, pharmacies, and health plans to disclose my PHI, as necessary, to (i) Merck and the Programs; (ii) the administrators of the Programs, their contractors, third-party service providers, and representatives (collectively, "Program Administrators"); and (iii) the administrator of Merck's field access and reimbursement support team, its contractors, representatives, and third-party services partners (collectively, the "Field Access and Reimbursement Support Administrator") in order to (i) verify my eligibility to enroll in the Programs; (ii) enroll me in the Programs for which I am eligible; (iii) provide reimbursement support; and (iv) investigate insurance coverage in connection with The Merck Access Program.

I also authorize Merck, the Programs, the Program Administrators, and Field Access and Reimbursement Support Administrator, and their respective contractors to use, share, and disclose my PHI for the following purposes: (i) to provide the services described in this enrollment form; (ii) to communicate with me by U.S. postal mail, telephone, text, or email; (iii) to prepare summaries that do not include my PHI for statistical purposes; (iv) to conduct analyses to help Merck evaluate, improve, and/or provide its services, customer support, and educational and/or promotional materials for patients prescribed Merck medications; and (v) to share my PHI with one another and with my physicians and pharmacists as well as with Medicare, my health plans, and their administrators, contractors, or representatives, in order for them to coordinate my benefits, provide, when applicable, reimbursement support, and investigate my insurance coverage.

I also authorize the Program Administrators and Field Access and Reimbursement Support Administrator to disclose my PHI to authorized representatives of Merck and the Programs as necessary to ensure compliance with the rules of the Programs. I also authorize Merck's authorized representatives to use my PHI to communicate with the Program Administrators, Field Access and Reimbursement Support Administrator, my physicians, pharmacies, and me for compliance purposes.

If I have designated a Legal Representative, I authorize Merck, the Programs, Program Administrators, and Field Access and Reimbursement Support Administrator to use my PHI to contact the person I have designated as my Legal Representative for the purpose of verifying the information I have provided in this form and/or coordinating the provision of benefits that may be available to me under the Programs, and to disclose my PHI to my Legal Representative for the purposes described in this authorization.

I understand that the PHI disclosed pursuant to this authorization, once disclosed, may not be governed by the same privacy laws and may be subject to re-disclosure, but I also understand that the administrators of the Programs and their contractors and other representatives intend to use and disclose my PHI only for the purposes described in this authorization. I further understand that if I choose not to provide this authorization, it will not affect my eligibility for, or receipt of, treatment, including Merck products, or healthcare insurance benefits, but that I will not be able to receive any assistance from the Programs for which I may be eligible.

I understand that canceling my authorization will mean that my physicians, pharmacies, and health plans, as well as the Field Access and Reimbursement Support Administrator, Merck, the Programs, and the Program Administrators may no longer rely on the authorization to use or disclose my PHI, but that any use or disclosure of such information that occurs before my cancellation is received will be unaffected by my cancellation.
